5. OTHER PROFESSIONAL ACTIVITIES (WORKSHOPS, SEMINARS, CONFERENCES)

5 March 2021: presented a poster entitled “Pronouns attract (much) less in number than in person” at CUNY 2021

5 January 2021: gave a talk “Roll-Up is Too Complex for Romanian 5-Year-Olds. Evidence from Recursive Adjectives.” together with Tom Roeper at LSA 2021

20-21 November 2020: gave a talk “Shadow-playing with Romanian 5-year-olds. Epistemic Adverbs Are a Kind of Magic!” with Anton Benz (ZAS Berlin) and Nicole Gotzner (ZAS Berlin) at Sesiunea de comunicări științifice a Facultății de Limbi și Literaturi Străine, Bucharest (online)

5-8 November 2020: presented a poster “*Small Big Flowers*” or “*Small and Big Flowers*”? *Simple is Better and Roll-Up is Too Complex for Romanian 5-Year-Olds* (with Tom Roeper) at BUCLD 45 (The 45th Annual Boston University Conference on Language Development), Boston (online)

26-27 September 2020: gave a talk “Where Truth and Optimality Part. An Experimental Approach to Implicatures with Epistemic Adverbs” with Anton Benz (ZAS Berlin) and Nicole Gotzner (ZAS Berlin) at Sensus, UMass (online)

26-27 September 2020: presented a poster “Shadow-playing with Romanian 5-year-olds to Shed Light on Epistemic Adverbs. It’s a Kind of Magic!” with Anton Benz (ZAS Berlin) and Nicole Gotzner (ZAS Berlin) at Sensus, UMass (online)

16-18 September 2020: presented a poster “Where Truth and Optimality Part. Experiments on Implicatures with Epistemic Adverbs” with Anton Benz (ZAS Berlin) and Nicole Gotzner (ZAS Berlin) at ELM (Experiments in Linguistic Meaning), UPenn (online)

16-18 September 2020: gave a talk “Shadow-playing with Romanian 5-year-olds. Epistemic Adverbs Are a Kind of Magic!” with Anton Benz (ZAS Berlin) and Nicole Gotzner (ZAS Berlin) at ELM (Experiments in Linguistic Meaning), UPenn (online)

3-5 September 2020: presented a poster “Do Bare Nouns Attract Less? Evidence from Agreement Attraction in Romanian” (with Brian Dillon) at AMLaP (Architectures and Mechanisms for Language Processing) 2020, Potsdam (online)

26 August-1 September 2020: presented a poster “*The parrot next to the hamster (and) next to the bunny* brings evidence for recursion from children” at SLE (Societas Linguistica Europea) 2020, Bucharest (online)

17 April 2020: gave a talk “Bare Nouns Attract Less than Full DPs. Evidence from Agreement Attraction in Romanian” at the Psycholinguistic Workshop at UMass, Amherst

3 April 2020: presented at LARC (Language Acquisition Research Center) at UMass Amherst on the acquisition of adjective recursion, “A peek into recursion and coordination in Child Romanian, in a world inhabited by fat thin squirrels, tall short short giraffes, big and small flowers, and long and long short blades of grass”

16 November 2019: presented a talk at BUCLA (Bucharest Colloquium on Language Acquisition) 6, Bucharest “Does every baby have a teddy? Yes, if the teddy is big. Quantifier spreading and size in child Romanian.”

1 November 2019: presentation within the LARC (Language Acquisition Research Center) at UMass Amherst on the acquisition of recursion

24-27 October 2019: presented a poster at NELS 50 (North East Linguistic Society), MIT, “The distinction between true and pseudo denominals? It’s an illusion!” (joint work with Jelke Bloem)

24 September 2019: gave a talk entitled “*The parrot next to the hamster next to the bunny* is not the same as *the parrot next to the hamster and next to the bunny*. Evidence for the acquisition of recursion from Romanian 5-year-olds.” at ZAS, Berlin

19-20 September 2019: presented a poster entitled “Strict quantifier spreading readings vary with manner of presentation, but not with changes in colour or size” (with Josh Reed) at XPrag.it 2019, Cagliari

19-20 September 2019: presented a poster entitled “What colouring can tell us about the acquisition of scalar epistemic adjectives in Child Romanian” at XPrag.it 2019, Cagliari

21-24 August 2019: presented a poster entitled “When a child’s certainty turns colourful. An experimental view upon the acquisition of epistemic adverbs in child Romanian” at SLE 2019, Leipzig

19-21 June 2019: presented a poster entitled “On the acquisition of scalar epistemic adverbs in child Romanian from a colouring perspective” at Experimental Pragmatics 2019, Edinburgh

7-9 June 2019: presented a paper entitled “5-year-olds are Precise with Numbers: Evidence from Scalar Implicatures with Cardinals in Romanian Child Language” at AICED 21, Bucharest

7-11 May 2019: presented a poster entitled “Looks like you can crown your teddy with a rose garland, but can you paddle the boat with this spoon? The true behaviour of pseudo denominals and the pseudo behaviour of true denominals” with Jelke Bloem (University of Amsterdam) at GLOW 42, Oslo

22 February 2019: presented work on modality together with Alexandru Nicolae at a Roundtable on “Modality in Romanian. Problems of Syntax and Pragmatics” at ICUB, Bucharest (Discussion moderated by Prof. Alexandra Cornilescu)

3-4 January 2019: presented “Romanian 5-year-olds surely know the meaning of *poate* ‘maybe’ but what about its pragmatics? On the acquisition of epistemic adverbs in child Romanian” at the 47th Cambridge Romance Linguistics Seminar, Trinity Hall, Cambridge

November-December 2018: collaborated with Julio César López Otero, a PhD student at Rutgers University and did experiments on differential object marking in Romanian, in order to compare the results to Romanian-Spanish bilinguals

8 November 2018: presented “On Children’s Understanding of Apparently Absurd Statements”, “The Acquisition of NN Compounds in Romanian”, and “Are the existential quantifiers “unii” and “câțiva” the same in child Romanian?” at the Language Acquisition Research Center (LARC) at UMass Amherst

24 October 2018: gave a talk entitled “What playing with color can tell us about scalar implicatures with existential quantifiers and epistemic modal adverbs” at the Child Language Lab, NYU

19 October 2018: gave a talk entitled “There’s more to denominals than meets the rule: the pseudo behaviour of true denominals and the true behaviour of pseudo denominals.” (joint work with Jelke Bloem (University of Amsterdam)) at the Syntax Workshop, UMass Amherst

18 October 2018: gave a talk entitled “A look at the acquisition of epistemic adverbs in child Romanian from a coloring perspective” at the Language Acquisition Research Center (LARC) at UMass Amherst

20 September 2018: gave a talk entitled “Experimental Investigation into the acquisition of quantifiers and modals in Romanian 5-year-olds (coloring tasks, erasing task a.o.)” at the Language Acquisition Research Center (LARC) at UMass Amherst

29 August- 1 September 2018: paper entitled “Insight from Likert scales into the pseudo behaviour of true denominals and the true behaviour of pseudo denominals” with Jelke Bloem at SLE 2018, Tallinn, Estonia

29 August- 1 September 2018: poster entitled “Comparing degrees of ungrammaticality of Person and Number violations. Implications for the ordering of phi-features” at SLE 2018, Tallinn, Estonia

30 August- 1 September 2018: paper entitled “Deriving scalar implicatures with quantifiers by Romanian 7 and 9 year olds” at The Romance Turn in Bucharest

11-13 August 2018: presented a paper entitled “Scalar implicatures with existential quantifiers in 5 year olds. Insights from a coloring book task” at Workshop “Scalar Implicatures: Formal and Experimental Exploration” in Siena, Italy

4-6 July 2018: presented a poster entitled “Insights from a coloring book task into scalar implicatures with existential quantifiers in 5-year-olds” at *Ambigo: Workshop on Ambiguity – Theory, Development, and Processing* in Göttingen, Germany

4-6 July 2018: presented a poster entitled “Deriving scalar implicatures with quantifiers by Romanian 7 and 9 year olds” at *Ambigo: Workshop on Ambiguity – Theory, Development, and Processing* in Göttingen, Germany

7-9 June 2018: presented a paper entitled “Does the*ABA hold for the verbal paradigm bare infinitive-simple past-past participle in English?” at Olinco 2018 in Olomouc, the Czech Republic

7-9 June 2018: presented a paper entitled “How are Number and Person ordered in the verbal and pronominal domain in Romanian?” at AICED 20 in Bucharest

29 May-1 June 2018: paper entitled “Can you star sentences with weird dots or butter bread with honey? The pseudo behaviour of true denominals and the true behaviour of pseudo denominals” with Jelke Bloem at CGG 2018 (Colloquium di Grammatica Generativa) in Tarragona, Spain

24-27 May 2018: presented a poster entitled “Some books are made of chocolate. Context sensitivity in truth judgments of seemingly absurd sentences” at DuCog 2018 (Dubrovnik Conference on Cognitive Science: Communication, Pragmatics and Theory of Mind), Dubrovnik

18-21 April 2018: participated at EMLAR XIV (Experimental Methods in Language Acquisition), Utrecht, Netherlands with a poster entitled “Scalar implicatures with quantifiers in 7 and 9 year olds”

20 March 2018: presented “Scalar implicatures with quantifiers in child Romanian” at ZAS Berlin within the institute’s internal workshop (FB14)

22 February 2018: presented “Are children more logical than adults? Scalar implicatures with quantifiers in Romanian” at ICUB (Lunch Seminar) (grant-holder)

24-25 November 2017: presented a paper entitled “Insights into the hierarchical ordering of Number and Person from ungrammaticality judgments” at “Variație în română și în limbile romanice”, *Colocviul international al Departamentului de Lingvistică*, ediția a 17-a

11-13 September 2017: presented a paper entitled “Upward Agree versus Downward Agree. The Case of Postverbal Subjects in Existential Sentences in Romanian” at SLE 2017 (50th Annual Meeting of the Societas Linguistica Europaea) in Zürich, Switzerland

22-25 June 2017: presented a poster entitled “What does *a cireși* “to cherry” mean?”. Creative variation in the interpretation of denominal verbs. An experimental and structural approach” at *11th Mediterranean Morphology Meeting in Nicosia, Cyprus*

8-10 June 2017: presented a paper entitled “What ungrammaticality judgments can tell us about upward and downward agree” at AICED 19 (Bucharest)

2-3 May 2017: presented the poster “The properties of the “(a) lua și X” (“take and X”) construction in Romanian. Evidence in favour of a more fine-grained distinction among pseudocoordinative structures” at Psecomac 2017 (*Workshop on Pseudo-Coordination and Multiple Agreement*) in Venice, Italy

1-2 December 2016: presented a paper entitled “How wrong is your existential? Insight from existential sentences in Romanian” at the workshop “Between EXISTENCE and LOCATION: Empirical, Formal and Typological Approaches to Existentials” in Tübingen, Germany
